

**TOWN OF SANGERVILLE
BOARD OF SELECTMEN
EMERGENCY WORKSHOP MINUTES
Beginning @ 6:00 p.m. on Silver's Mills Road
August 29, 2017**

Board members present were Michael Wark and Dale Gray. Employee present was Lois Jones. Residents present were Regina Jackson, Gerald Jackson, Butch Lemieux, and Irving McNaughton. Workshop began when contractor, Travis Herrick arrived.

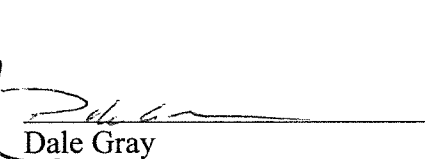

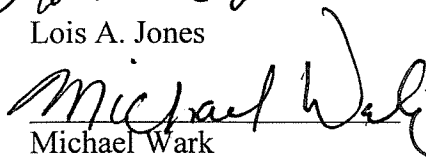

Discussion was based on the method of awarding the bid, and the items requested on the bid. Further discussion was regarding how to look at bids and award accordingly. Due to neither Lawson nor Herrick including a culvert on the 800 foot rebuild section, the awarding of the bids was in question.

Workshop was concluded with the Town Manager being directed to get "by-the-foot" prices for ditching and shoulder work and an additional price for driveway culverts. Bids will need to be reviewed at next regular meeting.

Respectfully submitted,

Lois A. Jones

Michael Wark

Dale Gray
