- a. Selectmen Present: Mike Wark, Dale Gray, Jody Cabot
- b. Employees Present: Peter Drummond, Matthew Pineo
- c. Residents Present:

Item 2. Workshop on the Roads for Sangerville

- a. Started our trip on French's Mills Road, Reviewed Culverts installed in 2012, Replace and repair Guardrail on French's Mill Road, Wells Hill (Shim / Pave) .4 miles will work up the work order that will be needed to write the Bid Specs.
- b. Road Postings will vary coming of all Town Roads through the end of May. Due to the amount of water we have at this time.
- c. Silver Mills Road, 2.2 miles. South of Nuite's in the low bog area referred to Blaine Bog, .1 mile new culverts and bring road up 1 foot with tapering into the roadway. Will improve drainage with ditching, culverts and raising the grade. Also .4 miles towards town from bog culvert replacement as needed.
- d. Would like to possible shim and pave a 2.2 mile stretch, we will have to wait to see how much we can do with the current budget. Some tree trimming and ditching in various locations will be included in the work up on the work order to prepare for going to bid.
- e. Will try to prepare all work for the Board to review on May 10, 2017 meeting.
