Item 2. Mayo Regional Hospital merger.

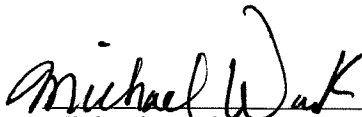

There was much discussion regarding the merger document between Mayo and EMHS, and the fact that the document is not being released to the public prior to the HAD#4 Board of Directors signing it. A major concern is the lack of commitment for Mayo and the people of this region, to continue operating the hospital and ambulance services. It was agreed that a merger between Mayo and EMHS could and should be better negotiated. If interim agreement is signed, then a change of charter will be submitted to the legislative body in Augusta this fall. The merger has not been discussed openly with the legislative bodies of the thirteen communities that make up the HAD#4. It was proposed and agree that the Board of Selectmen draft a letter to send to the Board members of the other 12 communities. Follow up meeting on October 23, 2018 to draft said letter.

Item 3: Adjourn. Chairman Wark made a motion and Selectman Cabot 2nd to adjourn. All in favor.

Respectfully submitted,

Lois A. Jones

Michael Wark

Dale Gray

Joanne Cabot
