Item 2: Old Business

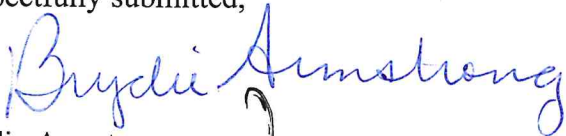

A. McPhetres Rd- Roundy's Paving had contracted with the Town of Sangerville to pave the McPhetres Rd at a width of 20 feet. Upon measuring the road it was discovered that the road is 22 feet wide. Ben Roundy explained that they had used their 10 foot paver because it is heavier than their 8 foot paver and provides a better finished job. He hadn't realized the 10 foot pavers' narrowest setting is 10 feet 8 inches.

B. Plowing Contract- C. & W. Nuite have agreed to plow the first mile of the West Road this winter.

C. Road Commissioner- The Town Manager will be researching how the Town of Abbot and the Town of Hartland handle the position of Road Commissioner and getting their towns' summer road projects completed.

Respectfully submitted,
