Item 5. Old Business:

A. Town Hall Building

Chair Wark met with Plymouth Engineering; Adam and Keith. They are going to put together a bid package on the costs of repairing the old municipal building. A lot of contractors are booked out for at least two years, so it even if a decision is made on what building to work on, they may not be able to work on it right away.

Item 6. New Business:

A. Discussion concerning drugs and drug paraphilia at the Veterans Memorial Park and boat landing with Piscataquis County Sheriff and Pirate Rec.

- There is a lot of drug paraphilia being left at the park, and members of the Pirate Rec crew have to clean it up before every practice and event to make sure that the kids don't get into it.
- People are traipsing in and out of the beach area, doing drugs and dealing.
- Parents and the children need to be made aware of the issues, so they know what to look for.
- There was the suggestion of security cameras being installed at the park to monitor the activity going on.
- The activity is going on during the day, and during Pirate Rec practices and events.
- The Sangerville and Guilford Pirate Rec sheds have been broken into.
- They can't leave anything valuable in the sheds because of this. Trash has also been found down there too.
- Do NOT approach anyone under the influence of drugs!
- The local law enforcement will patrol the park more.
